It's a beach party with water on tap!

Maddocks Gardens aged care facility in Bairnsdale recently chose tap water at a beach-themed party to celebrate Australia Day. Residents of the facility, which is managed by Bairnsdale Regional Health Service, received free water bottles from East Gippsland Water as part of a healthy lifestyle drive. The party involved residents being informed about the benefits of drinking tap water and being active. They enjoyed a special morning tea and played beach-style games.

Lola Neville found a different use for her East Gippsland Water drink bottles, using a thong to knock the bottles in to an Esky in a beach-style game
