Annual Public Board Meeting for East Gippsland Water

East Gippsland Water customers will have a great opportunity to find out more about significant water and wastewater initiatives earmarked for this financial year, when the corporation holds its annual Public Board Meeting later in the month.

The meeting is being held at Bairnsdale RSL on Wednesday 17 September, from 10 to 11am.

Presentations will cover:

- monitoring water quality in East Gippsland
- the future for water recycling at Dinner Plain
- using wastewater treatment plants to turn food waste into electricity
- East Gippsland Water's 2014/15 business plan
- latest news on a nesting pair of peregrine falcons at Bairnsdale water tower.

Attending will be East Gippsland Water's Board and executive staff, including Chairperson Joe Rettino and Managing Director Bruce Hammond. Morning tea will be provided.

For catering purposes, customers who would like to attend are requested to RSVP in advance by contacting the customer service team on 1800 671 841 during office hours. Alternatively email: egw@egwater.vic.gov.au.
