## A feat of pure moustachery!

A team of Mo Bros from East Gippsland Water and MWH Global have declared razors off-limits as they compete to create the best lip adornment for November's *Movember* fundraising drive.

'The Vikings', as they call themselves, are now mid-way into their feat of moustachery. Not so much as a facial itch will distract these hard core devotees from their mission: to raise as much money as they can for this worthy initiative before the end of the month.

*Movember* is staged worldwide each year to raise awareness and funds to help address men's health issues, including prostate cancer and depression.

*'The Vikings' - Brothers in arms for a worthy cause*

The money 'The Vikings' raise will support the work of the Prostate Cancer Foundation of Australia and *beyondblue's* national depression initiative.
