Choosing tap - 'water' winner!

A croquet club, bowling club and battle re-enactment group have each received a set of "Choose Tap" branded drink bottles with carrier and \$100 cash as part of the National Water Week Hydration Competition.

The competition, run jointly by East Gippsland Water and Gippsport, called upon local sports teams to submit a video, photo, picture or short story to explain why tap water is their team's drink of choice. After careful consideration of the entries, the three teams with the best submissions were chosen, with Lakes Entrance Croquet Club, Bruthen Bowling Club and "C" Troop: 15th King's Light Dragoons (Hussars) deemed the winners.

The winning teams recently dropped in to East Gippsland Water's head office in Bairnsdale to collect their prizes of drink bottles and cash.

Ends

Celebrating their cash and carriers are representatives from Lakes Entrance Croquet Club, Bruthen Bowling Club and "C" Troop: 15th King's Light Dragoons (Hussars)
