Board of Directors visit Lakes Entrance

The Board of Directors of East Gippsland Water will be on the road again next month, this time meeting in Lakes Entrance. Site visits to various East Gippsland Water facilities are planned as well as a presentation from local representative Bruce Hurley.

The Board remain focused on the provision of high quality drinking water and sewerage services to our customers and as such, if there are any issues that you believe would be of importance to the Board for consideration, please email egw@egwater.vic.gov.au by the 11th of March 2015.
