7 June 2019

## Free computers for a worthy cause

East Gippsland Water is seeking Expressions of Interest from community and not-for-profit groups in the region that would benefit greatly from the donation of a free, used computer or printer.

*Some of the items available*

Up for grabs are a total of 23 Lenovo desktop computers (without monitor, keyboard or mouse), seven laptops, six tablets and two Toshiba printers. They are no longer required following a recent upgrade of computer hardware by the organisation.

There is no warranty or ongoing support provided with the items, but all were in working order when removed from service. They come wiped of all content and restored to factory settings.

The computers, laptops and tablets are supplied with the Microsoft Windows 8 operating system.

Expressions of Interest need to be received by Friday 12 July, 2019. These can be emailed to: [grants@egwater.vic.gov.au](mailto:grants@egwater.vic.gov.au). Alternatively, write to: Communications & Community Engagement Manager, East Gippsland Water, PO Box 52, Bairnsdale, Vic 3875.

All submissions will be assessed on their merits with the successful applicants notified on, or shortly after, 14 August.
